

Fall Class Trips 2017

Each year Buffalo Seminary organizes class trips over Columbus Day Weekend; the purpose of each trip is to provide your daughter with a unique opportunity to learn something new and to bond with her fellow classmates. Students are expected to attend these trips, as each trip is part of SEM's academic program.

Charges for the trips will be billed on your daughter's school account (bookbill) in October. Please contact Natalie Stothart or Denise Merrell to discuss alternative payment options or any questions about the trips. Permission slips, final cost information and release forms will be sent home at a later date.
