

# CLASS BANNER DESIGN CHALLENGE

**DEADLINE: NOVEMBER 20TH at 3:30pm**

## **Overview:**

We're adding a new custom to Hanging of the Greens that will focus on your class legacies. Each class will create a banner to represent themselves at Hanging of the Greens for years to come. We will take submissions for the banner designs and your class will vote on the entries that are submitted by the deadline. Names will be removed from submissions for the voting process.

We will recreate the winning designs out of felt on a large scale during Hanging of the Greens. Designs will be gridded off and every member of your class will make one square of the banner. We will piece all of these fragments together like a puzzle to create the finished piece.

## **Directions:**

1. Create a design using color pencil on the banner template (see next page). Remember that your design needs to respond to the question: *"What light does your class bring to help your community glow?"* You may interpret this theme however you wish.
2. Somewhere on your design you should include your graduation year.
3. Each class has an assigned color(s). (Colors were selected randomly.) Your design should be in different tints and shades of your class's assigned colors.
4. Finished designs can be turned in to Ms. Cass in person or placed in her mailbox.  
DEADLINE: NOVEMBER 20th at 3:30 pm.

## **COLORS:**

Tints and Shades of **Red**-Freshmen

Tints and Shades of **Orange and Yellow**-Sophomores

Tints and Shades of **Blue**- Juniors

Tints and Shades of **Green**-Seniors
